

Introducing Virtual Brand Ambassadors

Same Great Staff, New Skills, New Screen

Let our virtual Brand Ambassadors continue to be the face of your brand!

In a world of social distancing, our professionally trained team are experts at educating your target audience on your products or services.

WHY VIRTUAL BRAND AMBASSADORS?

Our roster of highly specialized Brand Ambassadors is experienced in delivering a unique virtual marketing, communication and education experience to any audience.

Your customers receive a one-on-one branded experience with personalized conversations and answers to their questions in real-time – just through a screen.

Whether you want to connect with students in a virtual classroom or educate consumers on complex or sensitive topics, leveraging our specialized team will result in a customized experience.

WHAT DOES A VIRTUAL BRAND AMBASSADOR DELIVER?

Secure, private tech platform tested and readily available

Multiple enhancements for two-way interaction

Cost effective access to geographically challenging locations

Positive impact on brand sentiment

Effectively create content for social amplification

Deliver measurable engagement, sentiment, and awareness.

WE'RE DOING IT FOR HEALTH CANADA – LET US SHOW YOU HOW WE CAN DO IT FOR YOU!
